## DETAILS OF CURRICULUM FOR A.Y. 2022-2023

The school goes beyond the prescribed syllabus in preparing students as future leaders of the country. Care has been taken to devise a curriculum that maximizes progress in multiple dimensions such as intellectual, spiritual, emotional, physical, cultural and artistic. It sets a new trend for excellence in learning by emphasizing vocabulary development, language structure, reading, comprehension, creative writing and providing them with the opportunity to review and reinforce concepts and inculcate skills. Curriculum ensures that teaching promotes self-learning which is everlasting. Activity based learning is emphasized for which the students are sent for educational based on their syllabi.

The school offers a quality education taking into consideration the aspirations and needs of the student community at present the curriculum combines a variety of courses in language mathematics, science and humanities to develop a desired a learning outcome. English is the medium of instruction. Tamil and Hindi are taught as compulsory subjects in addition. Students engage themselves in project works of various subjects. They also visit places of academic interest. Leadership quality program is offered to develop leadership skills. Value education is taught to inculcate moral and spiritual values at all levels.

We work on the development of the fine motor and gross motor skills of the child. We nurture the tiny tots to converse in English. We offer Primary Programme to develop knowledge & skills in English, Tamil, Hindi, Mathematics, Environmental Science, Drawing & Painting and Physical Education. The Primary Programme prepares students for Junior Level education.
